

## **IFPA Monthly Newsletter**

November 25<sup>th</sup>, 2009

To all distinguished IFPA Members,

It was a pleasure seeing the great turnout at the last month's meeting. It appeared to me that everyone enjoyed themselves and the food was wonderful. We will certainly have to consider this location in the future.

Anyhow, let's get to the good stuff! Based on all of the information provided by all of you, I was able to input information onto the web site. If you have not had a chance to take a look at the website, I have updated the "Membership" tab as well as the "Officers" tab to include logos and photos. If for whatever reason your information on the site is incorrect or your logo has not been displayed, please be sure and send me your correct information as well as your company logo and I will be sure to make the necessary adjustments. Please keep in mind that if and when you send me your logo, it can only be 200 pixels or less wide and 100 pixels or less in height. You may also notice that in the "Membership" tab, I have created a spot in there for our "Lifetime Members". I will also be displaying photos of these individuals in due time. After all that these individuals have done for our industry, this is the least that we can do for them (Manny De Lerno, Edward Kadlec Sr., Bob Yoder, and Terry Manning). For those of you who are not familiar with these individuals, I hope to have some additional information on them for all of the membership to view in the website here shortly.

Now, the "Related Sites" tab in our website was a bit more difficult, this is because I tried to provide a little information regarding the "Related Site". In doing so, this is taking up a lot of our web site page. In any event, please feel free to provide comments on the said, and or suggestions.

I would also like to inform all of the membership that the “Meeting Minutes” and this “Monthly Newsletter” can be viewed on the website under the “Meeting Minutes” and “Monthly Newsletter” tabs.

Please continue to support our membership in any way possible, and remind yourself to invite others to our meetings!

Thank you,

Vincent Rodriguez
