- Information on Greek Housing
- SB 138 Code

Website Designer(Guest Speaker Mark Sandfox)

Mark provided the membership with a projection screen presentation of the new IFPA Website (www.ifpanet.org). We were able to go over ideas that the membership provided and gather information that will help our website and those who will be utilizing it. If any members would like to provide any additional suggestions for our website content, please contact Vincent Rodriguez (vrodriquez@262apex.com) or Bob Modica (bobmodica@sbcglobal.net).

We will be posting all our membership information on the website, so please be sure to contact us if your membership information needs to be updated. Also, please visit our website and feel free to comment on what is available as well as what should be available.

The IFPA website has been redesigned. Please take a look at it.

MEETING WAS ADJOURNED
