Trade Show Follow up

Danielle Sandfox started off by thanking the SFPE and all of the IFPA volunteers on such a successful product show. She also informed the membership that there was a total of 77 students that attended the classes provided by Cecil Bilbo and Marty Pabich. Kudos to both of our presenters. Thanks to the volunteers, we were able to raise \$800.00 for donating to the Illinois Burn Camp. We had a total of 44 exhibitors at this year's product show. Thank you to all of the companies for their continual support of this show. Information regarding the May 11th Trackside event was provided (remember you can win 2-spots for the IFPA Golf outing).
